Click on “Student Main Menu”.

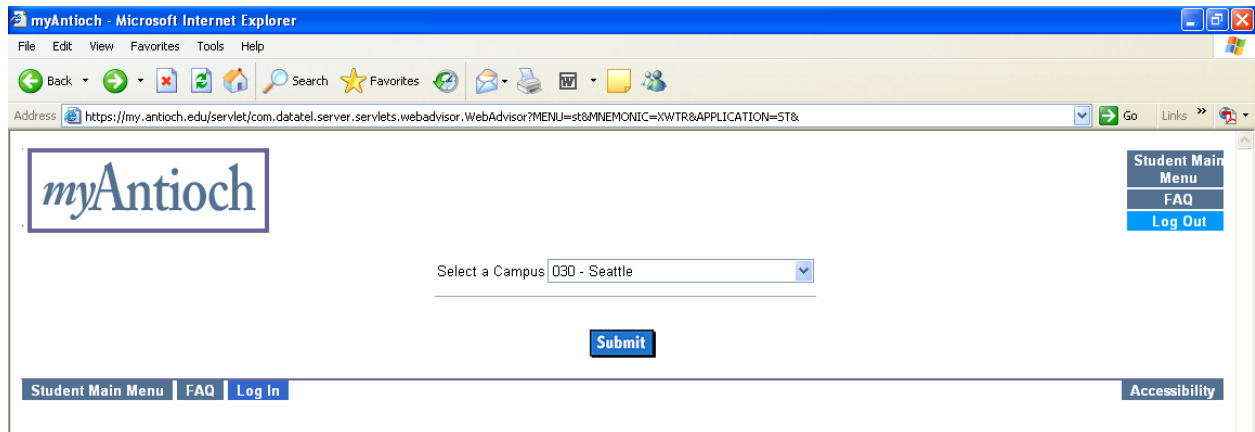

## Student Main Menu:

The screenshot shows a web browser window titled "Student Main Menu - MyAntioch - Microsoft Internet Explorer". The address bar displays "https://my.antioch.edu/datal/openweb/st/stmenu.html". The page features the myAntioch logo in the top left and navigation links (FAQ, Log In, Log Out) in the top right. The main content area is titled "Student Main Menu" and includes a warning: "The following links may display confidential information." Below this, there are two columns of links. The left column is under the heading "User Account" and includes links for "I'm new to myAntioch", "What's my user ID?", "What's my password?", and "Change password". The right column is under the heading "Registration" and includes links for "Search for Course Sections", "Antioch College Register for Sections", "Antioch College Drop/Register for Sections", and "My Holds". Below the "Registration" section is an "Academic Profile" section with links for "Academic credit by term", "Cumulative academic credit history", "Test summary", "My class schedule", and "My profile". At the bottom of the page, there are additional navigation links (FAQ, Log In, Log Out) on the left and an "Accessibility" link on the right.

Accessibility

**To print:** go the File menu at the top of your web browser screen and select the print option.

You may view another term by using the “Back” button on your browser and selecting a different quarter. Otherwise, you may return to the Student Main Menu by selecting “Student Main Menu” at either the top right or bottom left of the screen.

Please note that if you do not Log Out when you are finished with your *myAntioch* session, anyone that uses the computer you were logged in on may have access to your confidential information. To prevent this, remember to Log Out when you are finished. To Log Out simply click on the “Log Out” button.

We welcome feedback. Please email comments and/or questions through FirstClass to AUS Registrar.

Additional information about other [myAntioch](#) functionality is coming soon.
